

SESSION OF 2007

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2230**

As Recommended by House Committee on  
Judiciary

**Brief\***

HB 2230 would provide that for inmates serving indeterminate or off grid sentences who enter into an agreement with the Secretary of Corrections regarding programs, such as educational, vocational, mental health, or other programs, that the inmate needs to complete, failure to complete the program may impact the post-release date of the inmate.

Current law does not impact the post-release date of an inmate; however, the Parole Board can impose conditions related to completion of program elements or other conditions that must be followed during post-release supervision.

**Background**

Roger Werholtz, Secretary, Department of Corrections, expressed support for the bill.

The fiscal note was not available when the bill passed out of the House Committee.
